

[organization name]

## OH&S Policy

Management of [organization name] is committed to the continual improvement of the Occupational Health & Safety (OH&S) Management System, according to legal and other requirements, by

ensuring healthy working conditions and consultation and participation of workers and their representatives.

The framework for setting OH&S objectives is defined in the OH&S Manual.

All employees of [organization name] are acting to prevent injuries and health impairment through:

- Following the principles and meeting requirements of ISO 45001:2018
- Ensuring resources in order to prevent injuries and impairment of health and improve the working conditions
- Ensuring resources to take care of all employees in organizational terms
- Application of new methods and equipment in order to decrease work-related risks
- Effective management of change in OH&S Management System
- Regular testing of safety of equipment, infrastructure, and others, considering the state of work and the hazards that arise in work with them

[Job title] is responsible for communicating the OH&S Policy to all persons working for or on behalf of

the organization and making it available to interested parties.
