

[organization name]

## OH&S Policy

Management of [organization name] is committed to the continual improvement of the Occupational

Health & Safety (OH&S) management system, according to legal and other requirements, by  
ensuring suitable working conditions and compliance with applicable laws and other  
requirements.

The framework for setting OH&S objectives is defined in the OH&S Manual.

All employees of [organization name] are acting to prevent injuries and health impairment through:

- Following the principles and meeting requirements of the OH&S Policy
- Implementing measures to reduce or prevent health and impairment of health and improve the OH&S management system efficiency
- Implementing measures to take care of all employees in organizational work
- Identification of new hazards and assessment in order to decrease work-related risks
- Proactive management of changes in OH&S management system
- Regular testing of safety of equipment, infrastructure, and vehicles, considering the safety of work and the hazards that arise in work-related areas

[organization name] is responsible for communicating the OH&S Policy to all persons working for or on behalf of the organization and making it available to interested parties.
