

Appendix 2 – Recovery Priorities for Activities

The following table contains a list of activities that are identified in the organization's business continuity strategy. The list is used to determine the recovery priorities for each activity.

Name of activity	Recovery priority

Commented [27A1]: To learn how to fill out this document, and to see real-life examples of what you need to write, watch this video tutorial: "How to Write Business Continuity Strategy According to ISO 22301".

To access the tutorial, choose one of the following options (depending on how you received the document):

- a) For document(s) delivered via Conformio: log into Conformio, click "Helpful materials" in the top menu, choose your language, and open the folder "Video tutorials".
- b) For document(s) delivered via email: in your Inbox, find the email that you received at the moment of purchase - there, you will see a link that will enable you to access the video tutorial.

Commented [27A2]: Use this column to list all activities from the organization's business continuity strategy.

Commented [27k3]: To learn more about activities definition, read this article:
How to define activities when implementing business continuity according to ISO 22301
<https://advisera.com/27001academy/blog/2013/11/11/how-to-define-activities-when-implementing-business-continuity-according-to-iso-22301/>

Commented [27A4]: The values in this column are determined by the organization's business continuity strategy.

The list of activities is determined by the organization's business continuity strategy. The list is used to determine the recovery priorities for each activity.
